

Textile Applications: Machinery, Systems, and Accessories

- 1.05 Patching/heat-seal equipment
- 1.07 Embroidery and sewing
- 1.08 Adhesives
- 1.09 Emblems/logos and sew-on patches
- 1.10 Miscellaneous

Washing Textiles: Machinery, Systems, and Accessories

- 2.01 Washing/extracting equipment/continuous batch washers
- 2.02 Drying machines
- 2.03 Coin/card operated washers/dryers and related equipment
- 2.04 Washing machines for mattresses
- 2.05 Washing and treatment machines for mats
- 2.07 Laundry presses and centrifuges
- 2.08 Cleanroom applications
- 2.09 Sterilization systems and equipment
- 2.10 Miscellaneous

Cleaning Textiles: Machinery, Systems, and Accessories

- 3.01 Spotting equipment
- 3.02 Hydrocarbon solvent cleaning machines
- 3.03 Perchloroethylene dry cleaning machines
- 3.04 Alternative solvents for textile cleaning machines
- 3.05 Wet cleaning applications
- 3.07 Extraction units
- 3.08 Miscellaneous

Flooring & Upholstery: Machinery, Systems, and Accessories

- 4.01 Carpet cleaning machines
- 4.02 Carpet washers
- 4.03 Carpet dryers
- 4.04 Fitted carpet cleaners
- 4.05 Fur/leather/suede cleaning
- 4.06 Finishers for upholstery and leather furniture
- 4.07 Miscellaneous

Textile Drying and Finishing: Machinery, Systems, and Accessories

- 5.02 Pressing equipment and irons
- 5.03 Ironing boards
- 5.04 Ironing machines and presses
- 5.07 Finishers and tunnel finishers
- 5.09 Dryers, cabinet dryers, and drying systems
- 5.10 Dryers for wet cleaning
- 5.11 Folding machines, automatic folders, and folding robots
- 5.12 Miscellaneous

Water Technology/Utilities/ Energy Saving Solutions

- 6.02 Steam installations
- 6.03 Electrical installations and lighting
- 6.04 Energy recovery systems
- 6.05 Water softening systems
- 6.06 Heat recovery systems/heat exchangers
- 6.07 Water heaters
- 6.08 Water treatment systems
- 6.09 Recycling systems/water-circulation management
- 6.10 Dust control/air filters/air fresheners/air filter aids
- 6.11 Condensation outlets
- 6.12 Waste water treatment systems
- 6.13 Waste disposal technology
- 6.14 Boiler/heat reclaimers and exchangers/pumps
- 6.15 Water reuse systems
- 6.16 Water cooling/water heating
- 6.17 Green Product Technology
- 6.18 Plant construction/salvage
- 6.19 Miscellaneous

Agents and Systems for the cleaning, finishing and disinfection of textiles

- 7.02 Additives (soaps/detergents/chemicals/odor neutralizers/sizing/softeners)
- 7.03 Disinfectants
- 7.04 Flame retardants
- 7.05 Water-repellents

- 7.06 Waterproofing agents
- 7.07 Solvents
- 7.10 Finishing and starching agents
- 7.12 Miscellaneous

Uniform and Facility Services

- 8.01 Workwear and occupational clothing
- 8.02 Personal protective equipment
- 8.04 Bed linen
- 8.09 Table linen, throws, tea towels
- 8.11 Towel rolls and dispensers
- 8.13 Mats
- 8.14 Cleaning cloths
- 8.15 Wiping cloths
- 8.16 Toiletries
- 8.17 Miscellaneous

Logistics and Material Flow

- 9.01 Dispensing and discharge systems
- 9.02 Conveyors/feeders/rail systems
- 9.03 Storage, sorting, transport and distribution systems
- 9.04 Stacking systems / forklift truck
- 9.05 Packing machines for laundry and clothes
- 9.06 Trucks and vans
- 9.07 Laundry containers, separation containers, bags and trolleys
- 9.09 Transportation
- 9.10 Scales and weighing technology
- 9.12 After hours & 24/7 drop-off & pick-up
- 9.13 Input machines, preparation facilities
- 9.14 Miscellaneous

Information Technology

- 10.01 Sales/revenue planning, sales control
- 10.02 Customer Relationship Management Systems
- 10.03 Document management
- 10.04 E-Commerce
- 10.05 Electronic Data Interchange
- 10.06 Enterprise Resource Planning, merchandise management
- 10.07 Remote surveillance, fault diagnosis in machines and systems, operating data collection
- 10.08 Intelligent POS terminals and accounting systems

- 10.09 Collection and product range planning
- 10.10 Management Information Systems
- 10.11 Mobile order entry
- 10.12 Mobile data entry
- 10.14 Production, planning, and control systems
- 10.15 Barcode systems
- 10.16 Radio Frequency Identification Devices (RFID)
- 10.17 Supply Chain Management
- 10.20 Tracking systems, route planning
- 10.22 Miscellaneous

Other Operational Materials

- 11.07 Lint rollers
- 11.08 Labels
- 11.10 Laundry tickets
- 11.11 Receipt pads
- 11.14 Packaging materials
- 11.15 Signage
- 11.16 Mops, brooms, furniture, folding tables, mats
- 11.17 Linens, blankets, spreads, drapery
- 11.18 Apparel, aprons, caps, gloves, masks
- 11.19 Carts, liners, covers, shelving, cabinets, bags
- 11.20 Miscellaneous

Services, Associations, Consultancy, Training, and Capital Funding

- 12.01 Employee development, further education, and training
- 12.02 Management, personnel and business consultancy
- 12.03 Operational and systems planning
- 12.05 National and international associations and institutions
- 12.06 Publications
- 12.07 Financing and leasing
- 12.08 Insurance companies
- 12.09 Miscellaneous

Research, Development, and Testing

- 13.01 Research institutes and institutions
- 13.02 Universities, further education, and technical colleges
- 13.03 Testing and certification authorities, laboratories
- 13.04 Miscellaneous
